Procedure

It is very important that we are immediately informed of any event that may lead to a claim under your policy. Therefore, when you contact us please also quote your policy number if you have it to hand.

We'll send you a claim form as soon as we're told of the incident. Remember, you can also download a claim form from our website www.havenkj.com/make-a-claim

This should be returned to us, fully completed, as soon as possible whether or not you intend to make a formal claim and we may ask you to obtain quotations for the replacement or repair of any items lost, destroyed or damaged.

Any estimates or quotations should be sent to us without delay although we may also ask you to obtain alternative estimates.

We may instruct a surveyor to inspect and/or investigate. Except in an emergency or to prevent any further damage, repair instructions should not be given without our prior agreement.

When you are satisfied with the repairs, the invoice should be paid by you and the receipted invoices should then be forwarded to us for payment to you.

At your request we are able to pay the repairer direct.

Useful Information

- Please remember that the repair contract is between you and the contractor. Any instructions regarding either repair or replacement must come from you. However you must seek our agreement in the first place.
- The claim may be subject to deductions in addition to any policy excess and the clauses in your policy wording should be read carefully so that you are fully aware of these (e.g. sails, covers and outboard motors).

Helpful Advice

When loss or damage occurs you should act as if uninsured. This may seem unusual advice but it is most important that in the event of any incident involving your vessel, you must take all reasonable steps to minimise the loss.

Own Damage

- Take immediate action to safeguard and protect any property from further damage or deterioration (this may include first aid to the engine).
- Enlist help (professional if necessary) if immediately required to safeguard and protect your boat and equipment.
- Try to agree a realistic charge or fee if a tow is required before acceptance.
- Retain and look after all broken/torn/damaged items for inspection.

Many of our crew members have sailed on a variety of boats, so we understand what makes a boater tick.

Damaged by a Third Party

- If racing, protest the third party if they did not accept a penalty. Obtain witness(es) statements.
- Obtain details of boat type/class/number/name/club and any witness(es) details in addition to the name(s) and address(es) of the helm and boat owner.
- Road Accidents - obtain details of the driver, vehicle and insurer and any witness(es), and/or call the Police to the scene.
- If possible write down all the details and make a sketch of the site.

Damage to Third Parties

- If a third party wishes to hold you liable for damage, provide them with our details, your name, policy number and boat details. You should acknowledge any correspondence and pass it on to us immediately.
- Do not make any admission of liability and do not make any offer of payment.

Theft/Vandalism

- Any theft or malicious damage should be reported to the Police promptly.
- Keep a note of the Police Crime Reference Number.
- We will also need the serial numbers of any engines, tenders etc.
- Notify your club and local harbour master with full details of the theft/vandalism.

This **Helpful Advice** section is intended to provide some guidance should you have to submit a claim under your policy. It does not form part of any policy wording or give any indication of acceptance of a claim.

- 3 No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.
- 4 Subject only to clause 6 below, in no case shall this insurance cover loss damage liability or expense directly or indirectly caused by or contributed to by or arising from the use or operation, as a means for inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus or process or any other electronic system.
- 5 Subject to the conditions, limitations and exclusions of the **Policy** to which this clause attaches, the indemnity otherwise recoverable hereunder shall not be prejudiced by the use or operation of any computer, computer system, computer software programme, computer process or any other electronic system, if such use or operation is not as a means for inflicting harm.
- 6 Where this clause is endorsed on policies covering risks of war, civil war, revolution, rebellion, insurrection, or civil strife arising therefrom, or any hostile act by or against a belligerent power, or terrorism or any person acting from a political motive, clause 4 shall not operate to exclude losses (which would otherwise be covered) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.

7 A person who is not a party to this **Policy** has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this contract, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

8 This insurance excludes coverage for:

All other terms, conditions and limitations of the insurance remain the same.

Section J ~ Cancellation

- 1 **You** may cancel the **Policy** at any time by contacting **Us** or **Your** broker.

- 6 **We** will not pay more than the **Sum Insured** for any item listed in the **Certificate of Insurance** less any applicable excess or other deduction stated in Section I, subject to the terms and conditions of the **Policy**.
- 7 Innocent misrepresentation and/or failure to disclose material information.

If as a commercial customer **You** deliberately or recklessly breach **Your** duty to provide a fair presentation or as a consumer **You** deliberately or recklessly make a misrepresentation, **We** will be entitled to avoid this **Policy**, refuse all claims and not return any of the premium paid.

If the breach is neither deliberate nor reckless, **We** will avoid this **Policy** and return the premiums only if **We** would not have entered into this **Policy** had **We** known the true position. If **We** would have entered into this **Policy**, but on different terms, those terms will be deemed to be incorporated into this **Policy**. In addition, if **We** would have entered into this **Policy**, whether the terms would have been the same or different, but would have charged a higher premium, **We** may reduce proportionately the amount to be paid on a claim.

For the purpose of this condition the acts, omissions or knowledge of one insured will not be imputed to any other insured.
