How to Make a Claim

If you need to make a claim here's what to do.

In the event of any incident which may give rise to a claim you need to inform us as soon as reasonably possible with details of what has happened.

You can report a claim to us by: -

Telephone: 01636 675888
Website: www.noblemarine.co.uk/make-a-claim
Email: claims@noblemarine.co.uk

Our team will then be able to help you and explain the next steps.

If you receive any correspondence from another party involved in the incident you must forward this to us as soon as possible but it is important that you do not reply to them as this may affect the claim. We will then contact the other party or their insurers.

This may include any evidence that could be required by Insurers concerning the cause and value of any claim. The following should be provided however this is not an exhaustive list and additional information may be required:

No Claims Bonus

This only applies to Sections 2, 3 and 5.

How Your No Claims Bonus Works

For each year that you do not make a claim you will be entitled to a discount. If you have previously been insured, we will normally accept your previous insurers no claims bonus entitlement e.g. if you have been insured for 5 years or more with another company, we will give you a 25% discount at the inception of the Policy.

No Claims Bonus Scale

Claim Free Years	0	1	2	3	4	5
% Discount	0%	5%	10%	15%	20%	25%

If you make a claim this will affect your no claims bonus. We will apply a step-back system which will reduce your discount by 2 years for each claim made. This will take effect when you renew your Policy. In certain circumstances your Premium and/or Excess may also be increased at renewal.

No Claims Bonus Scale

Current no claims bonus entitlement without no claims bonus protection	No claims bonus at the next renewal (without NCB protection)		
	One claim within the Policy period	Two claims within the Policy period	Three or more claims within the Policy period
0	0	0	0
1	0	0	0
2	0	0	0
3	1	0	0
4	2	0	0
5	3	1	0

Note: In the table above a claim is where we have made payment for any loss, damage or injury to a third party or where any costs paid for damage to your Vessel or Craft cannot be, or have not yet been, recovered.

If You Have Chosen to Protect Your No Claims Bonus

Protecting your no claims bonus allows you to make one claim during the current Policy period without your bonus being reduced at renewal. You will only lose your no claims bonus if more than one claim is made in a five-year period. In certain circumstances your Premium and/or Excess may also be increased at renewal.

You can only protect your no claims bonus if -

- you have the maximum 25% entitlement
- you have paid an additional Premium
- it is specified in your Policy Schedule.

The table below shows how your no claims bonus will be affected if a claim is made on your Policy and you have chosen to protect your no claims bonus.

Current no claims bonus entitlement with no claims bonus protection	No claims bonus at the next renewal (with NCB protection)				
	No Claims	One claim within the Policy period	Two claims within the Policy period	Three claims within the Policy period	Four or more claims within the Policy period
5	5	5	3	1	0

Note: In the table above a claim is where we have made payment for any loss, damage or injury to a third party or where any costs paid for damage to your Vessel or Craft cannot be, or have not yet been, recovered.

Cancelling Your Policy

Before Cover Starts

If you buy the Policy and then change your mind before the start date of the Policy, then we won't make any charge and we will refund the payment in full.

Up to 14 Days

If the cover doesn't meet your needs, you can cancel your insurance by telling us, in writing. If you do this within 14 days of receiving your documents and you have not made a claim, we'll refund any money you've paid less a charge for the time you have been covered. If you've made a claim no refund will be paid.

In the First Year

After the initial 14 days, if you've not made a claim, we'll refund a proportion of your Premium according to the table below: -

Time on Cover since inception	Proportion of Premium Refunded

Our Rights to Cancel Your Policy

We'll cancel your insurance by giving you 7 day's notice if:

- you don't pay the Premium or an instalment when we have notified you that the outstanding amount is required by a specific date.
- you or anyone else covered by this insurance hasn't met the terms and conditions in this document including those shown in your Policy Schedule.
- a change in your circumstances means that we can no longer provide cover.
- you behave in a manner that makes it inappropriate for us to continue your insurance, e.g. if you harass or show abusive or threatening behaviour towards our staff.

Our cancellation notice will confirm the reason for cancellation and will be posted and/or emailed to you. The insurance will end immediately when stated on the cancellation notice. But if you've just taken out the Policy or renewed with us and the Premium is unpaid, we'll cancel your insurance from the start/renewal date.

We'll refund the balance of your Premium that applies to the remaining period of cover. If a refund is paid, a cancellation charge will be deducted from the refund as set out above.

If a claim has been made or misrepresentation, fraud or financial crime identified, we'll cancel your cover but may not refund any Premium.

Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

- Pricing and Underwriting – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the Premium you will have to pay.
- Credit Referencing – using the information given, calculations are performed to evaluate your credit rating. This rating will help us to evaluate your ability to pay for the quoted products and services.
- Sanction Checks – using the information given we will check someone is not subject to a financial sanction as they will appear on HM Treasury's asset freezing list.
- Automated Claims – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided. If you wish to do so, please contact us.
