Claims Payments

All claims are payable by **Insurers** from London to **Your** bank account.

Claims Procedure

We shall not be liable to pay any claim under this **Policy** unless **You** comply with the following conditions:

The **Assured** must act prudently and as if uninsured, at all times, to minimise loss and/or damage to the insured **Vessel or Craft** and to protect any recovery rights that are available. Failure by the **Assured** to act in accordance with these conditions may prejudice the claim being made under the **Policy**.

The **Assured** must then take the following steps:

1. ensure that **Insurers** are informed about the event as soon as reasonably possible from discovery including the submission of all written particulars, supporting documentation and correspondence regarding the event including invoices, statements or other documents evidencing the amount being claimed and that the **Assured** does not admit any liability, or offer or promise payment without written consent of **Insurers**
2. take reasonable measures to safeguard or recover the insured **Vessel or Craft**, avoid or minimise any loss, damage or expense to the insured **Vessel or Craft**. **Insurers** will pay the costs of such measures provided that they are both reasonable and necessary
3. properly preserve and exercise all rights against third parties, specifically
 - a. do not release those parties from liability
 - b. inform the police as soon as possible after a theft has occurred
 - c. in the event of a **Salvage** payment arising under this **Policy**, consult **Insurers** or **Insurers'** nominated settling agent before signing any **Salvage** agreement.

Fraudulent Claims

If any claim is fraudulent or false or intentionally exaggerated (whether ultimately material or not) in any respect, **Insurers** may refuse to pay the whole or part of the claim to the extent permitted by law, and also may be entitled to invalidate or cancel the **Policy**.

Recovery Rights

When **Insurers** settle a claim, they may pursue recovery rights against a third party who caused the loss or damage. The **Assured** agree that:

- a. **Insurers** may act in the **Assured's** name in such recovery action;
- b. the **Assured** will give **Insurers** reasonable and prompt assistance with such actions; and
- c. **Insurers** retain full discretion in the conduct of any legal proceedings or in settlement of any claim.

Waiver

Measures taken by the **Assured** or **Insurers** with the object of saving, protecting or recovering the insured **Vessel** or **Craft** shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

Waiver of Rights

Where another person(s) is liable to compensate the **Assured** for any loss or damage covered by this **Policy** but the **Assured** have previously agreed not to seek recovery from that person(s), then **Insurers** will reduce their liability under the **Policy** contract.

Introduction

This **Policy** has been specially arranged between the **Assured** and the **Insurers** whose name and address appears elsewhere within this **Policy**.

The **Policy** is a legally binding contract between the **Assured** and the **Insurers** and comprises in its entirety;

- a. this **Policy** wording
